

## Detailed pricing

This kitchen is a scene of everyday life, of tasting and relaxation. Fronts with frames provide a traditional craft and look presentable. Comfortable kitchen appliances harmoniously combine with the style of the interior. Dark oak countertop gives elegance to the whole, but it can also be replaced by a stone table top, which will give the touch of modernity.

We prepared two options of pricing. First with doors made from MDF, and second with doors made from wood. The worktop can be also from laminate or granite or any other material.
